

## INTERAGENCY SERVICES

*Family to Family Adoptions, Inc. is a non-profit child-placing agency licensed by the state of Texas. We provide the following direct services toward your international or domestic adoption:*

- Will keep your agency informed of any significant issues or new developments in the family.
- Provide a home study assessment of the adoptive family.
- Provide a copy of the Background Criminal Checks and Child Abuse clearance.
- Provide notarized home study reports written according to ICE guidelines and any birth country requirement for you, your agency, ICE and the foreign country.
- Provide any necessary agency documents required by the foreign government, i.e. proof of non-profit status, etc.
- Help in preparation and education of the family on adoption issues, cross-cultural adoptions and risks of adoption as per requirement of the Hague Convention.
- Assist the family with local ICE procedures.
- Provide pre-adoption and post-adoption counseling to the adoptive family as needed.
- Provide post-placement visits and support as required by the international placing agency and the birth country.
- Send the international placing agency the required post-placement reports suitable for the child's country.
- Assist the parents with a legal adoption, or re-adoption or validation of the adoption in Texas.
- Provide post-finalization counseling of family as needed and or referral to their local resources as appropriate.

Texas Licensed Child Placing Agency
